Krausz Library of Podiatric Medicine 3D Printer Program Policy

The Krausz Library 3D printer is open to all Temple University faculty, staff and students.

Food and drink are not permitted in the printer area.

3D printer is available by appointment Monday-Friday and during office hours. Current office hours can be found at https://bit.ly/2X0bRRm. For more information please contact greg.laynor@temple.edu.

3D printer is for educational and patient care purposes only; no commercial or business-related use is permitted.

Policies regarding the use of Ginsburg Library Innovation Space technology also apply to Krausz Library of Podiatric Medicine 3D Printer and are available at: https://guides.temple.edu/innovationspace/faq. The only exception is that there is currently no charge for print jobs on the Krausz Library 3D printer. This exception is subject to change.

Print jobs beyond the capacity and capability of the Krausz Library of Podiatric Medicine 3D Printer may be able to be printed and picked up at the Ginsburg Library Innovation Space. For more information: https://guides.temple.edu/innovationspace/about.

Effective Date: 2/14/19
